Case No. 06-42606 - hjb
Chapter 7

In re:
Susan R. Woods
Debtor

Supplement to Motion for Reconsideration in the Matter of
Request to Reopen Petitioner Woods' 2006 Bankruptcy

Petitioner's "Motion for Reconsideration" lacked exhibits. Exhibits are attached. These are a sampling of documents relating to the loan servicer and/or purported bank for the loans for each property. The dominant common denominator is Goldman Sachs. There is much discussion to present about each document.

Respectfully submitted,

R. Susan Woods
pro se, until further notice
